Independent Auditors' Report

To the Board of Directors
National Kidney Foundation of Michigan, Inc.
Ann Arbor, Michigan

Report on the Financial Statements

We have audited the accompanying financial statements of National Kidney Foundation of Michigan, Inc. which comprise the balance sheet as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of National Kidney Foundation of Michigan, Inc. as of June 30, 2016, and its changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited National Kidney Foundation of Michigan, Inc.'s June 30, 2015, financial statements, and our report dated September 22, 2015 expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Supplementary Information and Opinion of the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and is also not a required part of the financial statements, the statement of activities for the ten years ended June 30, 2007 through 2016, and the schedule of public support received directly, special events and fundraisers, and other revenue for the ten years ended June 30, 2007 through 2016 is presented for purposes of additional analysis and is not a required part of the financial statements. The schedule of expenditures of federal awards and the 2016 information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and the 2016 information is fairly stated in all material respects in relation to the financial statements as a whole.

As indicated above, we have also previously audited, in accordance with auditing standards generally accepted in the United States of America, the balance sheet of National Kidney Foundation of Michigan, Inc. as of June 30, 2007 through June 30, 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended (which is not presented herein), and we expressed unmodified opinions on those financial statements. These audits were conducted for purposes of forming an opinion on the financial statements as a whole. The statement of activities for the ten years ended June 30, 2007 through 2016, and the schedule of public support received directly, special events and fundraisers, and other revenue for the ten years ended June 30, 2007 through 2016 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2007 through 2016 financial statements. The information has been subjected to the auditing procedures applied in the audit of those financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare those financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2007 through 2015 information is fairly stated in all material respects in relation to the financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 15, 2016, on our consideration of National Kidney Foundation of Michigan, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering National Kidney Foundation of Michigan, Inc.'s internal control over financial reporting and compliance.

See Accompanying Notes to the Financial Statements

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Note 1 - Organization

The National Kidney Foundation of Michigan, Inc. (the "Foundation") was incorporated on March 30, 1960, as a nonprofit corporation whose mission is "to prevent kidney disease and improve the quality of life for those living with it." Through renal patient services, supporting research of chronic kidney disease, and education programs, the Foundation's efforts are conducted to prevent kidney disease, improve access to health care and needed resources, promote quality of care, encourage rehabilitation, increase public awareness, and advance medical knowledge. The Foundation's programs are designed to inform the public about kidney diseases its leading causes such as diabetes, hypertension and obesity, and increase awareness of the critical need for organ and tissue donation.

The Foundation's primary sources of support are public contributions, grants and fundraising events.

Note 2 - Summary of Significant Accounting Policies

Basis of Presentation

The basic financial statements have been prepared in accordance with accounting principles generally accepted in the United States of American in accordance with the Audit and Accounting Guide for Not-for-Profit Organizations issued by the American Institute of Certified Public Accountants.

The Foundation's net assets are categorized and reported as follows:

Unrestricted Net Assets

These net assets are available for general operations and are not subject to donor imposed restrictions. Net assets including board designated or appropriated amounts are legally unrestricted; revenues earned from program services provided, unrestricted contributions, investment income available for general operations, and all other operating expenses are reported as unrestricted.

Temporarily Restricted

These net assets are limited to uses specified by donor imposed restrictions or time restrictions. When donor restrictions expire or the nature and purpose of the restriction is accomplished, temporarily restricted net assets are reclassified as net assets released from restrictions.

Permanently Restricted

Permanently restricted net assets consist of contributions that have been restricted by the donor that stipulate the resources to be maintained permanently. The income from the investment of these resources is expended for general or restricted purposes as specified by the donor.

Revenue Recognition

All contributions are considered available for the Foundation's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as temporarily or permanently restricted support and increase the respective class of net assets.

Contributions received with temporary restrictions that are met in the same reporting period are reported as unrestricted support. Investment income that is limited to specific uses by donor restrictions is reported as unrestricted if the restrictions are met in the same reporting period as the income is recognized.

Unconditional promises to give in the accompanying statement of financial position are recorded at their net realizable value at the time the promises are received. These promises to give are reflected as receivables on the statement of financial position.

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Deferred Revenue

Deferred revenue consists of monies received related to program events, raffles, and certain portions of exchange transactions relating to fundraising events that will occur in the subsequent fiscal year.

Cash

For the purpose of the Statement of Cash Flows, the Foundation considers as cash all highly liquid investments, which can be converted into known amounts of cash and have a maturity period of ninety days or less at the time of purchase.

Investments

Investments in marketable securities with readily determinable fair value and all investments in debt securities are valued at their fair values based on quoted market prices in the statement of financial position. Unrealized gains and losses are included in the change in unrestricted net assets.

Accounts Receivable

Accounts receivable consist of amounts to be collected from special events and amounts billed but uncollected on government grants. It is management's policy to record an allowance against accounts receivable based on anticipated future collections when the realization of the full amount due is in doubt. When receivables are no longer expected to be collectible they are written off directly to the corresponding revenue account where the original revenue was recorded. It is management's belief that all amounts due at year end are collectible, and accordingly no allowance is recorded.

Prepaid Expenses

Prepaid expenses represent amounts purchased in advance for future expenses. The amounts are expected to be utilized in the next fiscal year.

Property and Equipment

Property and equipment are stated at cost or, where applicable, appraised value at date of donation. Depreciation is computed using the straight-line method over estimated useful lives of the respective assets which range from 3-40 years. Major expenditures, costing \$1,000 or more, for property and for improvements which substantially increase useful lives of the assets are capitalized. Maintenance, repairs and minor renewals are charged to expense as incurred. When assets are retired, or otherwise disposed of, their cost and the related accumulated depreciation is removed from the accounts and the resulting gain or loss is recognized.

Long-Lived Assets

The Foundation evaluates long-lived assets for impairment using a discounted cash flow method whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable in accordance with accounting principles generally accepted in the United States of America.

Income Tax Status

The Foundation is a nonprofit Michigan corporation recognized as exempt from federal income taxes pursuant to section 501(c)(3) of the Internal Revenue Code. The Company files informational returns in the U.S. federal jurisdiction.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Comparative Financial Statements

The amounts shown for the year ended June 30, 2015, in the accompanying financial statements are included to provide a basis for comparison with 2016 and present summarized totals only. Accordingly, the 2015 totals are not intended to present all information necessary for a fair presentation in conformity with accounting principles generally accepted in the United States of America. Such information should be read in conjunction with the Foundation's financial statements for the year ended June 30, 2015, from which the summarized information was derived.

Contingencies

As part of the grant agreements, the Foundation agrees to meet the spending requirements and milestones required in those agreements. The Foundation's grants are subject to financial and compliance audits by the grantors. Management believes that any liability for reimbursement that could arise as a result of these audits would not be material.

Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising Costs

The Foundation uses advertising to promote its programs among the audiences it serves. Advertising costs are expensed as incurred. Advertising expense for the years ended June 30, 2016 and 2015 was \$116,416 and \$4,089, respectively.

Subsequent Events

Management has evaluated subsequent events through September 15, 2016, the date of the Independent Auditors' Report, which is the date the financial statements were available to be issued.

Note 3 - Concentrations and Credit Risks

The Foundation's investments are held in a diversified portfolio with no concentrations of market risk. No other financial instruments expose the Foundation to concentrations of credit risk or market risk.

The Foundation receives a substantial portion of its revenue from special events, fundraisers, and grants. A significant reduction in the level of these revenues, if it were to occur, could diminish certain programs of the Foundation.

As of June 30, 2016, \$2,689,949 of the actual bank balances are uninsured and \$250,708 is insured. The Foundation has not experienced any losses with the financial institution nor is any loss expected due to insolvency.

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Note 4 - Fair Value Measurements

“Fair Value Measurement” establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following tables present by level, within the fair value hierarchy, the Foundation's investment assets at fair value, as of June 30, 2016 and 2015.

	Fair Value	Fair Value Measurements at Reporting Date Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<u>June 30, 2016</u>

Beneficial interest in assets held by others	<u>25,000</u>	<u>-</u>	<u>-</u>	<u>25,000</u>
Total	<u>\$ 3,799,470</u>	<u>\$ 3,769,470</u>	<u>\$ 5,000</u>	<u>\$ 25,000</u>

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Note 5 - Investments

Investments at June 30, 2016 and 2015, respectively, were comprised of the following:

	<u>2016</u>		<u>2015</u>	
Money market accounts	\$ 111,796	2.89%	\$ 110,709	2.93%
Fixed Income	1,744,733	45.06%	1,673,967	44.35%
Equity	1,523,911	39.36%	1,566,641	41.51%
Opportunistic	486,291	12.56%	418,153	11.08%
Time share	5,000	0.13%	5,000	0.13%
	<u>\$ 3,871,731</u>	<u>100.00%</u>	<u>\$ 3,774,470</u>	<u>100.00%</u>

The following schedule summarizes the unrestricted investment return included in the statement of activities, for the years ended June 30:

	<u>2016</u>	<u>2015</u>
Interest and dividend income	\$ 119,900	\$ 141,619
Realized gain (loss) on sale of investments	-	1,868
Unrealized gain (loss) on investments	<u>(50,951)</u>	<u>(136,682)</u>
	<u>\$ 68,949</u>	<u>\$ 6,805</u>

Note 6 - Endowment

The Foundation has established the National Kidney Foundation of Michigan Endowment Fund with the Community Foundation for Southeastern Michigan (the "Community Foundation") in the amount of \$25,000. The Community Foundation will distribute funds annually, based on their current spending policy. The agreement between the Foundation and the Community Foundation grants the Community Foundation power to direct the earnings of this fund, and earnings on any subsequent donor restricted contributions to this endowment fund, to the Foundation as beneficiary. The agreement also grants the Community Foundation variance power to redirect the use of gifts or assets to another beneficiary so that the donors' charitable interest may be served in perpetuity. As required accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions. Other benefactors have donated money to this fund, but the Foundation does not own those assets. The balance of those assets as of June 30, 2016 is \$387,311.

Investment Return Objectives, Risk Parameters and Strategies. The Foundation has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return. Therefore, the Foundation expects its endowment assets, over time, to produce an average rate of return of approximately 5% annually. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Endowment net asset composition by type of fund as of June 30, is as follows:

	2016		2015	
	Unrestricted	Total Net Endowment Assets	Unrestricted	Total Net Endowment Assets
	Board-designated endowment funds	\$ 25,000	\$ 25,000	\$ 25,000

Changes in endowment net assets as of June 30, are as follows:

	2016		2015	
	Unrestricted	Total Net Endowment Assets	Unrestricted	Total Net Endowment Assets
	Endowment net assets, beginning of year	\$ 25,000	\$ 25,000	\$ 25,000
Income from fund	1,505	1,505	1,366	1,366
Amounts appropriated for expenditure	(1,505)	(1,505)	(1,366)	(1,366)
Endowment net assets, end of year	\$ 25,000	\$ 25,000	\$ 25,000	\$ 25,000

Note 7 - Unconditional Promises to Give

Unconditional promises to give are summarized as follows at June 30:

	2016	2015
United Way	\$ 15,000	\$ 49,570

Note 8 - Accounts Receivable

	2016	2015
Government grants	\$ 573,643	\$ 719,519
Other	305,403	177,940
	\$ 879,046	\$ 897,459

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Note 9 - Property and Equipment

The components of property and equipment are as follows at June 30:

	2016	2015
Land	\$ 231,029	\$ 231,029
Building	1,667,824	1,665,324
Furniture and office equipment	519,550	490,512
	2,418,403	2,386,865
Less accumulated depreciation	(1,007,497)	(989,721)
	\$ 1,410,906	\$ 1,397,144

Depreciation expense was \$57,273 and \$54,402 for the years ended June 30, 2016 and 2015, respectively.

Note 10 - Retirement Plans

The Foundation has a non-contributory defined 403(b) contribution pension plan, which covers substantially all full-time employees. Under the terms of the plan, individual single premium annuity contracts are purchased annually for each covered employee. There are no prior service costs. Pension expense for the years ended June 30, 2016 and 2015, was \$130,443 and \$151,668, respectively.

In October 2008, the Foundation started a non-qualified 457(b) deferred compensation plan for the members of management. Under the terms of the plan, contributions are made on behalf of the eligible employees by the Organization. The balance of the deferred compensation arrangement was \$352,580 and \$317,728 as of June 30, 2016 and 2015, respectively and is shown in both assets and liabilities on the Foundation's financial statements and is available to general creditors of the Foundation. Deferred compensation expense for the years ended June 30, 2016 and 2015 was \$27,049 and \$30,845, respectively.

Note 11 - Temporary Restricted Net Assets

Temporarily restricted net assets, which consist of pledges with restrictions on the purpose or period of use, are as follows as of June 30, 2016 and 2015, respectively:

	2016	2015
United Way	\$ 15,000	\$ 49,570

Note 12 - Revenue Share Payment to National Organization

The Foundation has agreed to make support payments to its National Organization ("National") based on gross contributed revenue, as defined by National. During 2016 and 2015, the agreed upon payment was 25% of all such revenue and totaled \$486,141 and \$337,941, of which \$167,124 and \$38,574, respectively was included in accounts payable at June 30, 2016 and 2015, respectively. National provides program, management, and other services in return for these payments. The Foundation allocates the expense among program and supporting service activities based on information supplied by National. There are no required support payments due to National on donor restricted support.

National Kidney Foundation of Michigan, Inc.
Notes to the Financial Statements
June 30, 2016 (With Summarized Comparative Information for 2015)

Note 13 - Donated Services

A substantial number of volunteers have donated significant amounts of their time in the Foundation's program and supporting services. Records were retained for nurses, doctors, and other professionals that contributed services. As a result, donated services for the years ended June 30, 2016 and 2015, of \$698,206 and \$642,885, respectively, were reported as contributions and allocated in the statement of functional expenses.

Note 14 - Operating Leases

The Foundation has various operating leases for office equipment and building rentals. Total rent expense was \$84,906 and \$85,016 for the years ended June 30, 2016 and 2015, respectively. The future payments required under non-cancelable leases are:

For the Year Ending June 30,	
2017	\$ 77,502
2018	73,204
2019	54,591
2020	56,093
2021	57,596
Thereafter	<u>4,883</u>
	<u>\$ 323,869</u>

**Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in
Accordance With *Government Auditing Standards***

Independent Auditors' Report

Management and the Board of Directors
National Kidney Foundation of Michigan, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, financial statements of National Kidney Foundation of Michigan, Inc., which comprise the balance sheet as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 15, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered National Kidney Foundation of Michigan, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of National Kidney Foundation of Michigan, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of National Kidney Foundation of Michigan, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2016-001 that we consider to be a material weakness.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether National Kidney Foundation of Michigan, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

National Kidney Foundation of Michigan's Response to Findings

National Kidney Foundation of Michigan's responses to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. National Kidney Foundation of Michigan's responses was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Report on Compliance For Each Major Federal Program and
Report on Internal Control Over Compliance
Required by the Uniform Guidance**

Independent Auditors' Report

Management and the Board of Directors
National Kidney Foundation of Michigan, Inc.

Report on Compliance for Each Major Federal Program

We have audited National Kidney Foundation of Michigan, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of National Kidney Foundation of Michigan, Inc.'s major federal programs for the year ended June 30, 2016. National Kidney Foundation of Michigan, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of National Kidney Foundation of Michigan Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about National Kidney Foundation of Michigan Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of National Kidney Foundation of Michigan Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, National Kidney Foundation of Michigan, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

Report on Internal Control Over Compliance

Management of National Kidney Foundation of Michigan, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered National Kidney Foundation of Michigan, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of National Kidney Foundation of Michigan Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

National Kidney Foundation of Michigan, Inc.
Notes to the Schedule of Expenditures of Federal Awards
June 30, 2016

Note 1 - Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of National Kidney Foundation of Michigan Inc. under programs of the federal government for the year ended June 30, 2016. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of National Kidney Foundation of Michigan Inc., it is not intended to and does not present the financial position, changes in net assets, or cash flows of National Kidney Foundation of Michigan Inc.

Note 2 - Summary of Significant Accounting Policies

Expenditures

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, either the cost principles contained in the Uniform Guidance or OMB Circular A-122 *Cost Principles for Non-Profit Organizations* where certain types of expenditures are not allowable or are limited as to reimbursement.

Indirect Cost Rate

National Kidney Foundation of Michigan has elected not to use the 10 percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 3 - Reconciliation to the Financial Statements

The related revenue relating to the Schedule is included in the basic financial statements with private and government grants.

National Kidney Foundation of Michigan, Inc.
Schedule of Findings and Questioned Costs
June 30, 2016

Section I – Summary of Auditors’ Results

Type of auditors’ report issued on whether the financial statements were prepared in accordance with Generally Accepted Accounting Principles: Unmodified

Internal control over financial reporting:

- Material weakness(es) identified? X Yes No

- Significant deficiency(ies) identified that is not considered to be material weaknesses? Yes X None reported

Noncompliance material to financial statements noted? Yes X No

Federal Awards

Internal control over major programs:

- Material weakness(es) identified? Yes X No

- Significant deficiency(ies) identified that are not considered to be material weakness(es)? Yes X None reported

Type of auditors’ report issued on compliance for major programs: Unmodified

Any audit findings disclosed that are required to be reported in accordance §200.516(a)?? Yes X No

Identification of major programs:

CFDA Numbers

Name of Federal Program

10.561

SNAP – State Administrative Grants for the Supplemental Nutrition Assistance Grant

Dollar threshold used to distinguish between type A and type B programs: \$750,000

Auditee qualified as low-risk auditee: X Yes No

National Kidney Foundation of Michigan, Inc.
Schedule of Findings and Questioned Costs
June 30, 2016

Section II – Government Auditing Standards Findings

Finding 2016-001 - Material Weakness

Criteria: Financial statements and records should be free of errors that could change the users' overall assessment of the entity's finances.

Condition: A material adjustment was required during the audit to record the remaining contribution from a bequest given to the Foundation.

Cause and Effect: The adjustment was posted as a result of audit procedures in order to fairly state the balance. This adjustment had a material effect on the financial statements.

Recommendation: We recommend the Foundation research the proper treatments for large or unusual items.

Views of Responsible Officials: Management agrees with the finding.

Corrective Action Plan: See attached corrective action plan from management.

Section III – Federal Award Findings

None

National Kidney Foundation of Michigan, Inc.
Summary Schedule of Prior Audit Findings
June 30, 2016

Section IV – Prior Audit Findings

None

NKFM is in agreement with the finding of a certain deficiency in internal control. The adjustment was detected as a result of audit procedures and corrected by Management.

Effective immediately Ken Lessnau, Senior Accounting Manager, will implement the correct measures and procedures with regard to the recording of bequests that have multiple payments over one or more fiscal years. Additional research will be performed when deemed as necessary.
