The 2022 Michigan Kidney Walk at the Detroit Zoo is rapidly approaching! Our excitement is growing as we prepare to host our first full-scale Kidney Walk since 2019. All of the favorite Walk traditions that you know and love will be back, including our Opening Ceremony, Champions’ Tent, Children’s Area, tons of complimentary food and beverages, and a terrific prize raffle! And if this is your first Kidney Walk, we can’t wait to meet you!

Are you registered? There is still time to sign up and begin your fundraising at www.kidneywalk.org/detroitzoo. Each walker over the age of 12 is asked to raise at least $50 to off-set the cost of admission tickets, entertainment, and parking, etc. Walkers aged 3-12 are asked to raise $15. Walkers 2 years old and under are free.

Bank Days

To eliminate the need to wait in line on the morning of the Walk, walkers are encouraged to come to a Bank Day to drop off money, pick up admission tickets, Kidney Walk T-Shirt vouchers (for those individuals raising $100 or more) and Champions’ wristbands. Team Captains or a team representative can also pick up admission tickets, etc. for team members.

**Virtual Statewide Walk**

With the emergence of virtual programming, we at the NKFM want to embrace connecting with not only our supporters primarily located in S.E. Michigan, but all across the state. So, for the first time ever, our Walk Opening Ceremony will be broadcast live online for anyone to view. If you have family and friends who are unable to join us at the zoo, let them know that they can still register and fundraise at kidneywalk.org/detroitzoo, and join us virtually by checking out our opening ceremony at the zoo on the NKFM Facebook or YouTube page!

**Stay Up to Date**

Every Friday, visit the National Kidney Foundation of Michigan Facebook page as Development Specialist, Brian Christy, provides the latest information that you need to know in order to be ready for Sunday, May 15! Check out the latest update here, and be sure to share with your family and friends.
