NATIONAL FINALS HOST

The road to Pebble Beach starts at Barton Hills Country Club on July 27th! The National Kidney Foundation Golf Classic is the nation's Premier Amateur Golf Event for Charity. Each year thousands of golfers from across the country participate in 30 events across the U.S. for the exciting competition and the chance to earn an invitation to the National Finals at Pebble Beach.

Put together a team of your regular foursome, or entertain clients, and get ready to play at Barton Hills Country Club for an invitation to the National Finals at the Pebble Beach Resorts. Your team can play in either the Handicap Index Division or the Gross Division, providing you and your guests with a competitive yet social day of golf whether you are a low handicapper or new to the game. Each Handicap Index Division team can have one player with a handicap index of 8.0 or less and the total combined handicap index for your four players must be 42.0 or more. The Gross Division is for teams whose golfers do not have an official USGA Handicap Index or do not meet the above Handicap Index requirements.

The top finishing teams in both the Handicap Index and Gross Divisions from every NKF Golf Classic are invited to compete in the National Finals held at the famed Pebble Beach Resorts (additional fees required). If the upcoming U.S. Open or the U.S. Amateur is not in your future, this three-day tournament may be your only chance to compete for a national championship at the beautiful and challenging Pebble Beach Golf Links, Spyglass Hill Golf Course and The Links at Spanish Bay, January 2027.

We look forward to you joining us on Monday, July 27, 2026.

ABOUT THE NKFM

Our mission is to prevent kidney disease and improve the quality of life for those living with it. With over 1 million people in Michigan living with kidney disease, and because 65% of kidney disease can be prevented, we must also focus on the root causes of kidney disease which are obesity, diabetes and hypertension to help people avoid this disease altogether. Since 2006, we have received a 4-Star rating from Charity Navigator, the nation's leading charity evaluator. The designation puts the NKFM in the top 1% of all charities! For more information about the NKFM, please visit nkfm.org.
