The NKFM is committed to excellence in organizational performance.

The National Kidney Foundation of Michigan is happy to provide hope and help across Michigan, and we are proud to be recognized for our success.

The NKFM is proud to have earned the **Platinum Level Rating** from GuideStar, the world's largest source of nonprofit information.

To reach the Platinum level, we added extensive information to our GuideStar Nonprofit Profile including in-depth financial information; qualitative information about goals, strategies, and capabilities; and quantitative information about results and progress toward our mission.

This rating shows the NKFM is committed to the highest level of transparency and to giving donors and funders meaningful data to evaluate the NKFM's non-profit performance.

Each year since 2006, the NKFM has been recognized for its sound fiscal management and performance by receiving the coveted 4-star rating from Charity Navigator.

Charity Navigator is the leading charity evaluator in America and only gives the 4-out-of-4 star ratings to 25% of the charities it evaluates.

Our consistently high rating means the NKFM is in the top 1% of all nonprofits in America.

The NKFM is proud to have met all 20 Better Business Bureau Charity Standards to become a **BBB Accredited Charity**. The overarching principle of the BBB Standards for Charity Accountability is full disclosure to donors and potential donors at the time of solicitation and thereafter. However, where indicated, the standards recommend ethical practices beyond the act of disclosure in order to ensure public confidence and encourage giving.

This designation of meeting voluntary standards shows the NKFM's commitment to quality, accountability, and integrity.
