Quick Start Guide

Using the Kidney Disease Interactive Medicaid Dashboard

Racial Disparities over Time

This quick start guide describes the Racial Disparities over Time page within the Kidney Disease Interactive Medicaid Dashboard and provides instructions for accessing this page. You can navigate to different pages using the tabs found on the dashboard homepage, as illustrated in Figure 1.

Figure 1. Dashboard frontpage

To access the racial disparities over time page, you will need to select **VIEW DASHBOARD** in the **RACIAL DISPARITIES OVER TIME** text box. On the page, you can view the following graphical display:

- Medicaid adults with [Measure] over time by race and ethnicity

You can also find details about the dashboard in the Notes section.

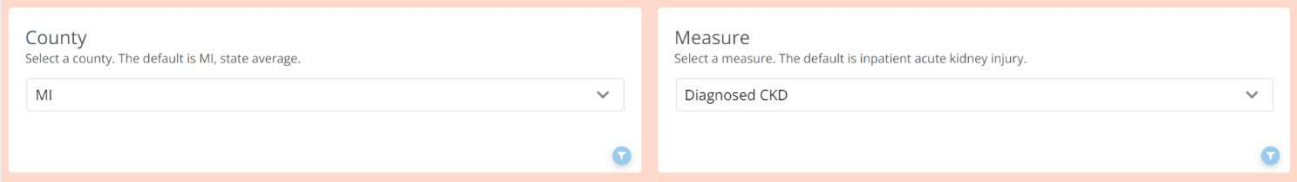

1. Dropdown menu

Within the **County** dropdown menu, you can select **MI** to view data for the state of Michigan or select a county to view data for the specific county.

Within the **Measures** dropdown menu, you can select one of the five measures:

- CKD Screening-Diabetes
- Diagnosed CKD
- Diagnosed Diabetes
- Diagnosed Hypertension
- Inpatient Acute Kidney Injury
